

**MAPSTAR**  
EXPAND YOUR WORLD

## AR Developer (m/f/u)

Karlsruhe, Germany

### This is Mapstar:

Our mission is for people to see the world as a place they can edit, build and play with. With Augmented and Virtual Reality, you can layer the real world with digital content anywhere. We are looking for motivated teammates. Support us as an AR Developer to create a new world.

### Your Job:

You like to develop with state-of-the-art tools and technology as well as enable incredible user experiences in AR? Then Mapstar is the right place for you to create the world of tomorrow.

- You take the lead in cutting edge AR technology and develop and integrate new features in a young, agile and passionate development team
- With Unity3D you are developing, integrating and deploying our cross-platform mobile app for Android and iOS worldwide
- Cross-platform Unity3D development for Android, iOS
- Architectural design and development
- Responsible for development of new features as well as extending existing features and prefabs
- Close cooperation with VR/Game developers and designers

### Your Know-how:

- Here you can bring in all your strengths and create something new every day! For this we are looking for independent team players who take responsibility, think outside the box and for whom no challenge seems impossible.
- Unity3D, ARFoundation (ARKit, ARCore)
- Experience with AR Guidelines
- Experience with HMDs or smart glasses, e.g. Hololens, MagicLeap One
- Experience with Unity UI system
- Experience in using APIs (REST or socket-based) and cloud services
- Experience with C#, .NET3/4+, object-oriented programming, GIT, other programming languages are a plus
- B.Sc./M.Sc. in Computer Science or Game Development

### Your Benefits:

- Become part of a team full of energy and the spirit to break existing rules and make really new things possible
- Bring in your ideas and abilities, take responsibility early and grow together with us. We have big goals
- Flexible workplace - adapted to your needs
- Flexible organization of your working hours
- Regular team events
- Exciting environment in a fast-growing startup
- Lots of creative freedom
- Direct and open feedback to learn quickly and develop yourself
